COUNTRY USSR

DATE: 25X1X6

INFO.

25X1X6

SUBJECT Military Information: Soviet Units  
in the Vladivostok Area

DIST. 1 January 1947

PAGES 2

SUPPLEMENT

25X1X6

1. Soviet Food Storage Units #73, 722 and 707 are at Mansovka [132-27, 44-10].

25X1A6a [REDACTED] Note: See [REDACTED] for information on Soviet air units at Mansovka.)

2. A Soviet tank unit, name and designation unknown, is at Yanchike (Yanchikhe area, 130-48, 42-47).

25X1A6a [REDACTED] Note: Upper (Verkhne), Middle (Sredne) and Lower (Nizhne) Yanchikhe are all located in the vicinity of the above coordinates.

3. Soviet Oil Storage Depot #793, which is a supply base for the Soviet Air Force in North Korea, is at Guozhvo (unlocated).

4. At Pos'yot [130-47, 42-39] are the following Soviet military units:

24 Advancing (?) Division  
A tank regiment (name and designation unknown)  
Food Storage Depot #2151  
Engineering Materiel Supply Depot #2857

Pos'yot is a Soviet naval transport base.

25X1A6a [REDACTED] Note: See paragraph 7 below.)

5. Soviet Food Storage Depot #214 is at Blodosovsky (? Bogoslovka, 131-37, 43-08 ?).

25X1A6a [REDACTED] Note: Although Bogoslovka seems an unlikely version of the place name as reported by source, its geographical position would make it a likely location for a depot. No Blodosovsky can be located on available maps.

6. At Sysoyevka (133-22, 44-13) are Soviet Food Storage Depot #731 and a Soviet Military Lumber Administration Office.

25X1A6a [REDACTED] Note: See paragraph 7 below. On 14 May 1947 another source, a Chinese ex-school teacher, reported that the 25 Division of the 2504 Unit was at Sysoyevka.)

7. The organization, equipment and missions of Soviet Motor-Car Transportation Units in the Vladivostok area are as follows:

- a. A division, name and designation unknown, with headquarters in Voroshilov (131-57, 43-47); units listed below are elements of this division.
- b. 60 Regiment at Kraskino [130-45, 42-44], with a few vehicles for the use of the regiment only. (See [REDACTED] for information on other units at Kraskino.)

## CENTRAL INTELLIGENCE GROUP

- 2 -

- c. 53 Independent Motor-Car Battalion at Pos'yot, which was recently reorganized with 1 along with 1 the 3 Battalion. The 53 Battalion now consists of 1, 2 and 3 Companies. Equipment includes: thirty-seven fuel (coal) trucks, one oil tanker (truck), one field food supply truck, one Japanese-made motor car, one radio detector car, fourteen snow plows and between sixty and ninety trucks, general duty. This battalion also has ten radio sets. One company of the battalion is attached to 1 assigned to 1 rail transportation. The battalion is responsible for the transportation of supplies to Soviet forces in North Korea and the transportation of supplies to Sakhalin Island. It is not certain how supplies to Sakhalin are transported, but administrative details pertaining to such transport are handled by this battalion.
- d. 559 Independent Motor-Car Battalion at Sysoyevka, consisting of a Signal Training Company-Radio, and two or three other companies. This battalion has about fifty vehicles and forty radio sets. Its responsibilities include the transportation and distribution of lumber in the Sysoyevka area.
- e. One additional Independent Motor-Car Battalion, name and location unknown, part of which is attached to 1 assigned to 1 rail transport.
